

For orientation reference, vertical measurements are listed first, followed by horizontal measurements. However, pieces may be rotated to maximize paper usage.

To create the featured layouts, use the information below along with the how-to book *Cherish*.™ This book contains the layout dimensions, blueprints, and detailed instructions you need to create the supplemental layouts. The paper swatches shown below correspond with the book's cutting diagrams, making it easy to determine which papers should be used. Simply match the swatches with the letters designated in the *Cherish* pattern, and cut the paper pieces accordingly.

### **Cherish: Graphic Texture™ (page 60)**

Bases (2) (no cutting required)

A and C

E

D (3), D (back), F, and 3" x 3" journaling pieces (2—back)

G and title (omit piece B—use My Stickeease®)

### **Cherish: Puzzle Junkie™ (page 112)**

Bases (2) (no cutting required)

B and E

A (2) and F

C (2) and D (2)

1" x 6" journaling piece
